Amin-ul-Mulk Mirza M Ismail, Esq, C I E, O B E,

Dewan of Mysore, Mysore

Dear Sir,

On 25th Feb last, I first sought to bring to your kind notice the facts relating to "Srinivasa Katte" Circumstances oblige me to bring the subject to your presence once again

On 11th March 1926 Government issued an Order worded as follows

"Government have considered the matter carefully, and it appears to them that the restoration of the fountain will not be a convenient method of disposing of the case, and as the place has changed its aspect, the parties affected deserve compensation They are therefore pleased to direct that the Municipality should settle the question, and make necessary payment out of the Trust Board Funds"

Since the Municipality did not carry out the G O till Feb. 1927 I appealed to you for direction ~~as then~~ Since then Government seem to have kindly made a special grant of Rs 5000 for payment of this compensation

But I find from a Report in Monday's "Daily Post" that at the last meeting of the Municipal Council the President told the Council that it could use the money in three ways 1) use it for a charity, 2) give it to us, 3) send it to the Court The matter seems to have been sent to a lawyer for opinion now

I venture to place the matter before you and invite you to kindly specify whether in spite of the clear direction in the G O, the Municipality could dispose of the money as it chooses The fact is that the Municipality has for 30 years been averse to giving us back the site I had to wrest justice from the Government Now the Municipality wishes again to snatch away the compensation and force a litigation on us

It is now 2 years and 7 months since I placed the matter before Government, and 1 year and 3 months since the issue of the order It is therefore necessary to invite your kind notice to the injustice delay, and machinations involved in this, and await your orders

Permit me to remain

Yours Sincerely,

G R Josyer
